

Make a Difference!

Your Swing For Kids participation will provide opportunity and make a difference for a child, a family, and your community. Key program support includes:

Elementary Arts

The Papillion-La Vista Schools Foundation provides funds for all K-6th grade students to participate in the Omaha Theater Company's "Every Single Child" program. The program is modified to link with District curriculum through activities developmentally appropriate for each grade. Fine Arts organizations including the Rose Theater and Omaha Theater Company contribute to the Elementary Arts experience.

Outdoor Education

All 6th grade students spend two days and one night at the Eastern Nebraska 4-H Camp, developing a better understanding of - and appreciation for - nature and the outdoors. Students participate in hikes, games, and team-working activities. Your support helps keep this program free so that all students can enjoy this outdoor learning experience.

Outdoor Education

Held at each of Papillion La Vista's fifteen elementary schools, Kids Club provides safe, reliable care for students before and after school, on out of school days, and during the summer. Funds raised help provide scholarships for tuition fees and registration, breakfast for children, and field trip opportunities.

Connecting great schools to a caring community.

The Papillion-La Vista Schools Foundation reaches out to parents, alumni, staff and community to create the financial and supportive resources needed to enhance the educational experience for students by offering the opportunity to participate in activities and take advantage of programs that would not otherwise be possible.

Your support will help fund the following programs:

- Kids Club
 - Elementary Art Experience
 - Grant Programs
 - Scholarships
 - Outdoor Ed
 - Summer Library
 - Middle School Tutoring
 - Employee Recognition
 - Career Academies
 - Post Prom
 - Graduate Safe
 - Vehicle Day
- And more...
