

Jodi Janssen Stice, Distinguished Alum

Jodi Stice simply does not know a stranger. This 1994 Papillion- La Vista High School graduate truly holds the unique ability to engage with those around her with a sincerity that builds rapport and confidence.

As a student, Stice set the stage for an active life. She was a member of Free Spirit, P-Club, Homecoming Court and the recipient of the 1993-1994 Monarch Spirit Award. Stice was also a member of both gymnastics and diving teams. Stice went on to establish the standard in Nebraska for high school diving, becoming the first to sweep gold medals all four years at state; breaking the record in 1994 by 20 points. Stice was featured in a Sports Illustrated article that same year for winning her diving crown. Stice

continued her diving career at Texas A&M while earning a bachelor's degree in biomedical science.

After graduation, Stice began working for Merck & Co., Inc. in 1998 as a Professional Sales Representative. She received her master's degree in Business Administration from Bellevue University and has grown with Merck to become an Executive Chronic Care Representative.

Stice returned to Papillion in 2003 and together with husband Brad are raising their 5-year-old son Henry, and her 15-year-old twins, Robert and Kyle Harper. Stice is an active member of her community serving as Den Leader for Cub Scouts (2010), Board member and mentor for Teammates, Communion Chairman at Trinity Lutheran Church, serving as chair on Papillion-La Vista Bond Committee, Papillion-La Vista High School Visioning Committee and is an advocate for the MS Society. Stice has always found a way to blend her personal business success with unwavering customer support as a distinguished member of the Papillion La Vista community.
